Additional Concerns (Describe as best possible)

I hereby authorize Berkeley Island Marine to complete the service described above. I authorize the charge of my credit card for services rendered. I agree to carry my own liability and comprehensive insurance to protect against theft, fire, windstorm, water damage and vandalism, and to release Berkeley Island Marine from any and all liability.

All charges must be paid before pwc is launched or leaves the marina. If payment is not received within (15) days of completion of work, your credit card will be charged for the balance. Finance charges of 2% per month (24% APR) will be charged for any unpaid balances. Extra Labor may apply. Storage will be assessed after (15) days, at \$30 per day. Deposit does not reflect the total charges. Review our website for complete service details.
